

Final Project Submission

[Start Assignment](#)

Due Friday by 12pm **Points** 100
Submitting a text entry box, a website url, a media recording, or a file upload **Attempts** 0
Allowed Attempts 1 **Available** until May 6 at 12:01pm

Points to be noted for Final Projects Submission -

1. Actual deadline for all Deliverables - Friday Mid day 12.00pm (on the final project day)
2. Demo/Presentation on Friday during the class
3. Each team will have 20 mins in total -
 - 15 mins for Demo/Presentation
 - 5 mins for Q&A
4. Test & Rehearse your Presentation & Application Demo
5. Project Deployments should remain hosted and should be accessible till Tuesday Morning (the following week)
6. Share the Deliverables with [analyticsneu@gmail.com] & TA's email and make sure to add us in your Github as collaborators so we can access it if its a private repository
7. References for any code used from other Githubs
8. Deliver what you promised you would in the Project Proposal with the same specifications, algorithms and datasets (Sample project proposal attached)
9. Add a proper Readme with instructions on how you deployed your applications and how to replicate it
10. Coordinate well within your teams so work is distributed among everyone
11. You should know what you worked on and What your Teammate worked on
12. Do not share any AWS/Github Credentials in your codes on Github
13. Try to have a Youtube for the Demo as well, for a backup
